Angela Capper and **Ron Fortuna** are experienced educational consultants who specialise in supporting and training staff in a variety of settings. They have both trained in many approaches relevant to autism including: 5 day TEACCH, Social Stories, Protective Behaviours, Social Thinking, PECS, DIR- Floortime, Intensive Interaction, Comic Strip Conversations, Attention Autism and Team Teach. They are both qualified to administer the ADOS assessment tool.

Training settings have included schools, parent groups, adult care homes, universities, national conferences and local authority services. Ron and Angela have contributed to a variety of publications and professional journals.

Target Autism has been a partner with the University of Northampton - developing international training projects across Europe.
